## Quest for Honor

### Spirit of America Marches On

From Cape Cod to Korea, the Spirit of America Band opens doors to kids of all ages. The Spirit of America Marching Field Band, numbering over 100 instrumentalists and color guard, is again gearing up to take the world stage in Korea in 2006 at the World Association of Marching Show Bands competition. This year's dynamic

**Above:** "Thundering Surf," a 16 x 13 oil painting by Joseph Cobb, is an example of the many works now on display in the Marion Art Center's "Marine Artists of New England" exhibit, running through August 24. There will be an artists' reception on Saturday, August 13 from 5:00 to 8:00 pm and the gallery is open Tuesday through Friday, 1:00 to 5:00 pm, and Saturday from 10:00 am to 2:00 pm.

**On the cover:** It just wouldn't be summertime without the welcoming sight of classic cars filling the parking lot of the Plumb Corner Mall in the center of Rochester. A sizeable number of car owners and admirers filled the lot this past Monday night and enjoyed both the classic vehicles and some golden oldies music. The nostalgic car cruise event takes place every Monday evening in the lot directly across from the Rochester Town Hall starting at 6:00 pm and runs through the summer season. (Photo by Kenneth J. show, "Quest for Honor," will be performed throughout New England this month, and then be taken to Korea next summer.

The Spirit of America Band will present its 2005 Field Show, "Quest for Honor," a dynamic show of music in motion exploring the themes of Honor, Love, Truth, Sacrifice and Loyalty, on the following:

- Friday, August 12 at 7:00 pm: Falmouth Academy in Falmouth (featuring Summer Sounds Music Camp Concert Band at 6:30 pm);
- Wednesday, August 17 at 8:00 pm: Eldredge Park in Orleans, MA;
- Thursday, August 18 at 7:00 pm: "Concerts in the Park" at Mass Maritime Academy, Buzzards Bay;
- Friday, August 19 at 8:00 pm: Joint Performance with the Plymouth South High School, Plymouth;
- Wednesday, August 24 at 7:30 pm: Fall Mountain Regional High School in Alstead, NH.

Based on Cape Cod, the Spirit of America is made up of volunteer members ranging from ages 10 to 60. The band has worked with literally thousands of young people across the United States and throughout the world. Spirit of America's marching precision and patriotic pride were most recently seen as they marched in three parades over the Fourth of July weekend. Workshops for kids of many ages and abilities are a standard part of their repertoire and touring schedule. Learning to march, play

an instrument, work as a team, and have fun through excellence are a few of the many things Spirit of America offers.

Having won numerous awards over the last quarter of a century, the band is well-known for its classical medleys, show tunes, and works of contemporary classical composers. Teaching by example, the members share their lives and love for music with everyone. Spirit of America urges young people to reach beyond themselves, beyond works, music and marching to achieve a sense of pride and accomplishment at what they can do, having gained a few friends along the way. Come join Spirit of America this summer across New England with performances from Orleans, MA to Alstead, NH.

### Mattapoisett Boy Stars in *Oliver!*

Eleven-year-old Mattapoisett resident, **Jonathan Lee Zucco**, will star in the title role of New Bedford Festival Theatre's Production of *Oliver!* which will run August 5, 6, 11, 12 at 7:30 pm and August 7 and 14 at 3:00 pm at the Zeiterion Performing Arts Center in New Bedford.

You'll want to bring the entire family to this fun musical directed by George Charbonneau and choreographed by Wendy Hall, featuring memorable songs like "Food, Glorious Food," "Where is Love?" and "As Long As He Needs Me." You'll fall in love with this adaptation of Charles Dickens' *Oliver Twist* where adorable street urchins not only pick pockets, they will steal your heart. Even Dickens would be pleased with this musical event.

Winner of the Tony Award for Best Music and Lyrics, Lionel Bart created a theatrical masterpiece when he reworked the classic tale of *Oliver Twist* into a spectacular musical journey. *Oliver!* chronicles the travels of a young orphan from the starving deprivation of Mr. Bumble's workhouse, through his apprenticeship to a cruel undertaker, into the school for pickpockets run by Fagin, a deplorable corrupter of youth, and finally to the warm, loving home of his grandfather.

In Bart's "freely adapted" version of Oliver's adventures, Oliver is a lad of such sad, sweet countenance, such proud spirit and mild manner that every deed committed by him or for him seems justified. And, the villainous Fagin loses the repugnant wretchedness imparted by

Mr. Dickens and becomes more of an eccentric, miserly codger whose young pupils of pickpocketry adore him.

Just as *Oliver Twist* is as absorbing for young readers as for adults, *Oliver!* has been recommended for whole-family theatre-going since it opened in New York in 1963. With upbeat songs like "Food, Glorious Food," "It's a Fine Life," "Consider Yourself" and "Oom-Pah-Pah" and lovely, heart-breaking ballads like "Where is Love" and "As Long as He Needs Me," *Oliver!* appeals to the child in everyone.

This will be Jonathan's third Festival Theatre production, after having played the part of "Chip" in Disney's *Beauty and the Beast* last summer and "German Boy Soloist" in *Cabaret* which closed July 24. Jonathan will be entering the sixth grade at Old Hammondtown School in Mattapoisett this fall.

## *From the Desk of Edward J. Haggerty, Sr., CSA*

Integrated Solutions emphasizes ideas rather than specific financial products. We believe that with the right combination of strategies and concepts, you may achieve your financial goals knowing how to make sound financial decisions.

### *Four key areas to consider in your retirement planning:*

- ***Taxes***  
Finding the right type of investment demands a careful analysis of the tax implications of that decision. Integrated Solutions emphasizes that you know your marginal income tax bracket and calculate the taxable equivalent yield before you choose tax-exempt or tax deferred investments.
- ***Inflation***  
The loss of purchasing power is a common lament of retired individuals. In order to maintain the value of your money, it is essential to calculate the yield on an investment after taxes and inflation. Integrated Solutions can help you understand that the real rate of return is the key to evaluating an investment.
- ***Investment Portfolio Management***  
The keys to successful portfolio management are careful investment selection combined with a clear understanding of investment objectives. At Integrated Solutions, we help you to understand asset class selection (cash, equity, debt, fixed principal and tangible assets) and its importance to investment strategy and your personal ability to withstand risk.
- ***Outliving Retirement Income***  
As life expectancy increases, so does your need to ensure that you will have the financial resources to live in retirement. By carefully examining your sources of income, Integrated Solutions can help you calculate retirement income and the ways you can help protect that income from unexpected expenses, such as long-term health care.

We offer a one-hour free consultation here in our office at Eastover Farm. To take advantage of this opportunity, call and schedule a date and time for us to meet and see how we can best be of service to you.

The board then acted on the following items:

- Voted to accept the resignation of Florrie Smith of 8 Beech Wood Road as member of the Historical Commission with thanks for her service and hard work.
- Voted to reappoint Josephine Pannell of 11 Bowman Road as a member to the Historical Commission.

Under Notes and Announcements for the week, the board noted:

- The next regular Selectmen's Meeting will be held on Tuesday, August 16 at 6:00 pm in the Town Hall Conference Room.
- The next Mattapoisett Bike Path Committee Meeting will be held on Tuesday, August 23 at 7:30 pm at Town Hall.

Town Administrator, Michael J. Botelho then reported that an e-mail had been received concerning the replacement of signs advertising a house for sale by owner. They were allegedly moved by Building Inspector Andrew Bobola because they were on both state (Route 6 and Mattapoisett Neck Road) and town (Harbor Road and Noyes Avenue) property. The homeowner asked for consideration for a period of 30 days for the signs to be allowed.

All three board members had concerns about the

restrictions which are placed on commercial realtors and what would be the setting of a precedent that would allow them to place signs on state or town property in the future. The board sympathized with the reasons but still felt they could not grant such permission. Political signs are only placed on private property with permission of the owners. The board suggested that the seller seek permission of the property owners near the place he wished to locate his signs.

Bob Field who reported on the update of the Tallman Street reconstruction project. Mr. Field showed on the plans the placing of a sidewalk, extension of the curbing from the school and handicap access. Mr. Battestelli and other Tallman Street residents were present and asked several questions about safety, low spots, driveways, traffic patterns and speeding. It is the plan to have Tallman Street limited to one-way traffic during drop off and pick up times during the school day with access for buses only. Staff and parents would use Shaw Street for access. All non-school hours would have traffic both ways.

Selectman Andrews ascertained that the water main would be installed by the town's Water and Sewer Department prior to reconstruction of the street. The project should be underway within three months. After much discussion about sign wordage and placement, Selectman Andrews said that the plan was to have flashing school zone lights. However, since the school is not on a state highway, the town would have to pay for them with the approval of Town Meeting voters. The board then voted to accept the petition for reconstruction of Tallman Street at a cost estimate of \$227,634.

At 6:55 pm, the board met with members of the Wind Power Study Committee at which time Alice McGrath presented a detailed study generated by the committee describing the best sites for placing the so-called "met poles" for gathering data and eventually the probable placement of wind turbines. The three locations being considered are Brandt Island Road on town land,

land behind Old Rochester Regional High School, and the Marion Wastewater Treatment Plant. Selectman Andrews remarked that the Presidents of the Beach Associations should be informed of the plans even though they are located on town land. He wants the citizens to be fully informed about the project and the proposed plans. The Selectmen were very pleased with the report of the committee and voted to accept the report.

In other matters:

- Town Administrator Botelho reported he will be attending a roundtable discussion on education with Lieutenant Governor Kerry Healey in Brockton on Friday, August 5 from 10:00 am to 11:30 am.

- The town's Hurricane Preparedness Meeting was held on July 22.

- The Harbormaster's boat is due to be delivered no later than August 12.

- Harbormaster Steve Mach will present an update on grid plans for Mattapoisett Harbor during the next Selectmen's meeting on August 16. He recently spoke with the Fire Chief about the new Fire Station Building Committee which is being formed.

- Finally, Rochester has requested that the next Tri-Town Selectmen's Meeting originally slated for Thursday, August 11 at 6:30 pm be postponed until September 15, 2005.

men was called to order on Tuesday, August 2 at 7:00 pm by Chairman Jonathan Henry. Also present were Selectman Andrew Jeffrey, Selectman David Pierce, and Secretary Helene Craver. Town Administrator Jack Dolan was not present for the meeting.

The board first approved the minutes of the July 19 meeting and then noted that their next regular meeting will be held on Tuesday, August 23 at 7:00 and *not* August 16 in keeping with their usual schedule.

Chairman Henry also noted the next Tri-Town Selectmen's Meeting planned for Thursday, August 11 at 6:30 pm will likely be cancelled and held off until September upon a request from Rochester.

At 7:02 pm the board met with Police Chief Lincoln Miller and Student Officer Bryan Whalen to consider the appointment of Mr. Whalen as a Special Police Officer with the Marion Police Department. A Wareham resident, Officer Whalen is entering the Police Academy and previously worked as a call firefighter. The board unanimously voted to appoint Officer Whalen upon Chief Miller's recommendation.

The board next met with Planning Board Chairman Peter Winters to discuss the so-called N-Star property — a proposed retail mall project in Wareham — to be sited at the intersections of Route 28 and Route 195 very near the Marion town line.

"The Planning Board was notified about this and they're in the process of doing traffic studies now," Mr. Winters said. "The Marion Planning Board is work-

ing with Wareham to figure out the potential impact on Marion."

Mr. Winters said they are concerned about the possible backups created which may adversely affect traffic flow through Marion. With increased traffic, potential jams on Route 28 and Route 195 might force people into using the Route 6 corridor through Marion.

"There is some talk of having transponders placed at the lights (in Wareham) ... and we'd like them to consider doing that for Marion as well," Mr. Winters said. "I've spoken with the Police Chief and Fire Chief and they are interested in (the results) as well."

Mr. Winters also mentioned the potential impact on Marion retail establishments with the opening of the large-scale mall project.

"The Marion Planning Board is concerned about West Wareham eventually looking like East Wareham," Mr. Winters said. "Obviously, Wareham will get the tax benefits from the mall, whereas Marion is not going to see any tax benefit ... although we will see some of the detrimental effects."

Chairman Henry questioned why the traffic study couldn't also include the roads from Marion and nearby Rochester that lead into Wareham — among them: Fearing Hill Road, Mary's Pond Road, and those portions of Route 105, Route 6 and Route 28 in said towns.

Mr. Winters suggested appointing a joint task force to look into the overall impact this project would have on Marion.

"I applaud you for coming in and alerting us to this," Chairman Henry said, adding he also supports appointing a task force. "We look to you to (keep us informed about) land use issues."

"We're trying to find (aspects of this project) that are beneficial to both Marion and Rochester," Mr. Winters said.

The Planning Board is meeting next week and they are planning to appoint a task force at that time to address this issue further.

At 7:23 pm the board met with members of the Finance Committee (FinCom) to discuss the ongoing budget process and the formation of a Capital Planning Committee.

communication from Eugene DeLorenzo suggesting the formation of a Capital Planning Committee," Chairman Henry said.

According to FinCom member Priscilla Ditchfield, the FinCom has been doing an ongoing analysis of the town's committed and long-term debt for capital projects. Going into Fiscal Year 2007, the town's total debt service is comprised of \$827,000 in school construction costs (32.3 percent); \$1.3 million in water/sewer projects (52.2 percent); and \$397,000 (15.5 percent) in other miscellaneous purchased for the Fire Department and Marine Resource Commission (MRC).

"We're going to be asking departmental heads to meet with us much earlier in this (budget) process," said FinCom Chairman Dr. Richard A. Kemp. "This year we're hoping for a much more detailed budget ... it's going to be a critical matter."

"We're still in the same bind that we were in at Town Meeting," Dr. Kemp added. "The school budget for ORR is going to be a tough nut for Mattapoisett and Marion ... that was \$169,000 we didn't plan on."

In lieu of appointing a full-fledged Capital Planning Committee — which would require a vote of Town Meeting, according to Dr. Kemp — he suggested that the FinCom add two associate members to their ranks who could then be responsible for forming a "capital projects" subcommittee of the FinCom.

"You're robbing Peter to pay Paul here all the time when you talk about fixed expenses," FinCom

member A. Lee Hayes said. "When we started all this, we were spending about 70 percent of the operating budget on capital expenses. I think that's why we're proposing a new approach here."

"I would move that we accept the recommendation of the FinCom to appoint two associate members to work on the capital projects subcommittee," Selectman Jeffrey said. With that, the board unanimously voted to support this recommendation.

"If we keep services as they are and we want to keep taxes down, there's only so much you can do without affecting (the tax rate)," Selectman Jeffrey said. "You can't expect the town to grow and remain fiscally responsible at the same time."

"I don't think the taxpayers want us to curtail services," Chairman Henry agreed. "We had low taxes for many years until we started going on a spending cycle in the '90s."

"Part of the reason we've had low taxes for so many years is we didn't spend money on the (town's) infrastructure ... and now it's time to pay the piper," Selectman Pierce said.

In other matters, the board:

- Voted to make the remaining reappointments for 2005-2006 which were held over from their July 19 meeting.

- Unanimously voted to award the contract to install air conditioning at the Marion Music Hall to low bidder New England Piping at a price of \$34,700 upon a

### Rochester Selectmen's Meeting

*August 1, 2005*

**By Kenneth J. Souza**

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, August 1 at 6:49 pm by Chairman Gary Laboa. Also present were Selectman Richard Nunes, Selectman Bradford Morse, and Town Administrator James Huntoon. Administrative Assistant Veronica Lafreniere was not present for the meeting.

Chairman Laboa first noted the hours of operation for the newly-opened Town Hall Annex have been posted at the site on Route 105 and also on the town's website. They are: Monday through Thursday, 8:30 am to 12:30 pm and 1:30 pm to 4:00 pm; and Fridays 8:30 am to 12:00 noon. Additionally, the Building Department is also open until 8:00 pm on Monday evenings.

The board next unanimously approved the minutes of the July 18 (Open and Executive Sessions) and July 25 meetings.

Under correspondence, the board received a note

# FAIRLAWN

## HOME OF MEMORIAL TRIBUTE

Services as  
Unique as Your  
Loved One

Fairlawn is more than a funeral home. As a Home of Memorial Tribute, it is especially designed to accommodate any celebration of life in the way that best reflects what made your loved one so special.

Would you like to share a memorial video with those who come to pay their respects? Perhaps you want to personalize the viewing area with items representing your family member's favorite hobby. Fairlawn's truly individual service options can capture the uniqueness of person who means so much to you and make your loved one's presence felt in a very personal way.

Also exclusive to Fairlawn are the benefits of Dignity Memorial® programs that begin before and continue after the service, including the Everlasting Memorial® mem.com Internet Memorial, the 24-hour Compassion Helpline and the Bereavement Travel Services. And Fairlawn's exceptional service family of experienced professionals will provide that sense of comfort and security that makes a difficult time easier to bear.

Everything about your loved one is so special. The personalized services of the Fairlawn Home of Memorial Tribute will make the celebration of their life special, too.

from Town Planner Randall Kunz advising that Chris Faustinho has resigned from the Soil Board and they now need to appoint a replacement.

The board also received total 2005 herring counts from Alewives Anonymous, Inc. of fish migrating on the Mattapoissett River as recorded by the electronic fish counter at Snipatuit Pond. It is estimated that approximately 1,500 to 1,600 herring entered Snipatuit Pond before the counter was installed, and the counter yielded some 6,417 herring so it is estimated that a total of 8,000 herring entered the pond this year.

"The 2005 count is approximately 3,000 more herring than last year's count," wrote Arthur F. Benner, President of Alewives Anonymous. "Though still very low in comparison to the highest count recorded of 130,296 in 2000, it is the first year (we have seen) an increase in the last four years."

The Planning Board sent a notice to the board regarding their procedure for signing off on future invoices from Town Counsel. Currently, the Planning Board is waiting to approve the latest \$4,577.90 bill pending clarification of an itemized phone call.

"I told (them) the only issue I have with it is I don't want to hold invoices for unreasonable amounts of time," Chairman Laboa said.

Lieutenant Governor Kerry Healey also sent notice of an Informal Roundtable Discussion Meeting on Education to be held on Friday, August 5 from 10:00 to 11:30 am at the Donahue Institute in Brockton, MA.

Under the Town Administrator's report, Mr. Huntoon advised that the newly-hired Town Building Maintenance person began his first day of work earlier that day and he will be working in tandem with the Highway Department on various projects, including the rearranging and expansion of various offices remaining in the main Town Hall.

Mr. Huntoon also advised they will be meeting with the software people proposing to establish an on-screen bulletin board for the town's government access channel out of the studio at ORR High School on either August 16 or 17. This new system will allow them to post bulletins and scrolling messages on the cable access channel via an online interface from Town Hall.

The next Tri-Town Selectmen's meeting is slated for Thursday, August 11 at 6:30 pm at ORR High School. However, since some board members cannot attend, they asked Mr. Huntoon to check with the other towns about possibly forgoing until the September meeting.

Chairman Laboa advised that Town Accountant Claudette Coutu submitted her resignation from the Rochester Memorial School Building Committee as the Finance Committee's (FinCom) representative. They will now need to consult with FinCom Chairman Michael Costa to appoint a replacement.

In other matters, the Board of Selectmen is still seeking volunteers to serve on the Agricultural Committee and to join and/or start up a new Recreation Committee. Those interested in either group should submit a letter of interest to the Board of Selectmen, c/o Rochester Town Hall, 1 Constitution Way, Rochester, MA 02770.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:10 pm.

including a brand new car; \$10,000 in cash; a three-day Bahamas cruise for two on Carnival; eight-day Scottish golf trip to Scotland; a new set of golf clubs and bag; and other prizes for closest-to-the-pin and longest drive. There are also hole sponsorships available for \$100 each.

A group of tri-town citizens purchased the used hockey boards and glass from Gallo Arena in Bourne. They have been fund-raising for the last three years to privately gather enough money (\$40,000) for the concrete and installation of the arena. It will be located behind Old Rochester Regional Junior High School and will benefit the Physical Education department and the ORR Junior and Senior High School sports teams, especially the ORR/Fairhaven hockey team, and the community at large. Roller Hockey, Arena Field Hockey, and Soccer, Basketball, Tennis and other sports can be played in the arena. The group prep is scheduled to start in September and the concrete pad is due to be installed in April 2006.

After the golf tournament, the group will have about two-thirds (\$22,000) of the funds needed for this privately-funded project. They plan to raise the remaining sum via arena board sponsors and a letter drive for donations. Donations can also be forwarded to the following address.

To sign up or for more information regarding board sponsors or donations, please contact Jason Medeiros at 508-789-3115 or Rory McFee at 508-758-9002. Please make checks payable to "ORRJH Arena Fund" and send to: Rory McFee, 1 Mariners Way, Mattapoisett, MA 02739.

All proceeds benefit financial assistance for youth members at the new Gleason Family YMCA in Wareham.

The race has drawn larger numbers of participants each year. Registration and breakfast begin at 6:30 am. A mandatory captain's meeting will follow at 7:00 am, led by race director Richard Wheeler. The race itself will begin at 8:00 am from the pier at Besse Park, near the Nantucket Lightship. All participants are required to have previous ocean kayaking experience. The longest course circles Bird Island in Marion and all three courses end at Besse Park. Safety boats will be stationed along the way, coordinated by Luke Lomeland, supervisor of traffic at the Cape Cod Canal. He is assisted by Harbormasters from Wareham and Marion and their staffs.

Participants are asked to register with a minimum

of \$100 in pledges to benefit the Gleason Family YMCA. A kayak, courtesy of Billington Sea Kayaks in Plymouth, will be awarded to the participant who raises the most pledges over \$500. Three other great prizes will also be awarded to top pledge-raises in all three course categories. All racers will be given a complimentary race package, including a t-shirt featuring an original Bird Island design, lanyard and safety whistle, visor and other items. Each racer will receive a complimentary breakfast and two complimentary lunch tickets. All participants will also receive the coveted "Guilded Clam" medal at the awards ceremony following lunch around 12:00 noon.

The raffle for a brand new Necky Kayak as Grand Prize and array of fabulous prizes, including a one-year family membership to YMCA Southcoast, is now underway. Raffle tickets are \$5 each and may be purchased from the Gleason Family YMCA lobby at 33 Charge Pond Road in Wareham (508-295-9622), the Wareham Free Public Library or at Besse Park on the day of the race. The kayak, sponsored by Go Bananas, is now on display in the Gleason Family YMCA lobby.

Modeled after the Annual Blackburn Challenge in Gloucester, the goal of this third annual Bird Island Challenge is to celebrate and support the new YMCA in Wareham, a division of Southcoast YMCA. The new YMCA opened in August of 2004 and has been busy since its first day, benefiting youth, families and adults throughout the Southcoast area.

## Mattapoisett Land Trust\* Walk with John Teal

Sunset-Twilight Salt Marsh Walk  
Meet at Shipyard Park  
August 8, 6:00 to 8:00 PM,  
rain or shine

John Teal, Biologist and Rochester Conservation Commission member, and author of the book "Life and Death of a Salt Marsh" will be leading us in this exciting walk.

Experience the salt marsh at sunset as we walk from Shipyard Park through the salt marsh that borders Eel Pond.

Bring your binoculars and pails and wear your old sneakers, shoes or boots (and don't forget the bug spray) to get up close and personal with the creatures that inhabit the marsh.

Come explore the sights, sounds and smells of the marsh at the dimming of the day and return in the magical twilight.

This program is free and open to the public.

School age children and young adults are especially welcome to join us.

Light refreshments will be served at the end of our walk.

*\*The MLT preserves land in order to enrich the quality of life for present and future generations of Mattapoisett residents and visitors.*

### Buzzards Bay Regatta

This year, the **33rd Annual Buzzards Bay Regatta (BBR)** will be hosted by the New Bedford Yacht Club at its Padanaram facility on **August 5, 6 and 7**. Looks like another great regatta! Most small boat classes are full — and the big boat classes are filling, but there is *still room for a few big boats*.

Deadline for handicapped boats (PHRF & Multi-hulls) is 9:00 am on Tuesday, August 2, and don't forget to fax in your PHRF-New England rating certificate. Registrations for J-105's and J-109' will be accepted up to the beginning of the Regatta. The 2005 BBR has been designated the J/105 New England Championship. To register, go to [www.BuzzardsBayRegatta.com](http://www.BuzzardsBayRegatta.com).

The 2005 BBR Committee has announced that moorings will be available to accommodate *all* registered boats, and mooring locations will be assigned on a first-come, first-served basis. Some rafting may be required,

## ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

### Beached Harbor Seals

Recently, a number of harbor seal pups, as well as adult seals, have been resting on Cape Cod beaches. Since June 17, the Cape Cod Stranding Network, Inc. (CCSN) has received over 65 reports. Although some have required intervention, most of the reports have been pups in need of only rest. The biggest issue facing these animals has been well-meaning beachgoers inadvertently harassing them.

Please help the CCSN in their continued efforts to protect the seals and to educate the public about seal life history and the dangers of harassing them. Some things you should know:

- Seals are semi-aquatic, which means they spend

Recently, Dr. Crabbe and Dr. Eames volunteered their time to speak to fifth and sixth graders at Sippican School about their career as part of the Marion Occupational Program. Here is what some of the students had to say about what they learned:

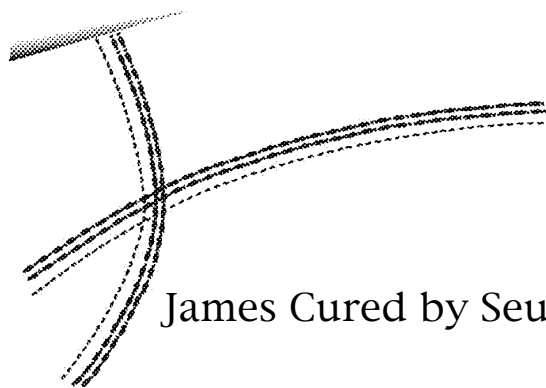

*"I really enjoyed the tips you gave me on living healthy and how to take care of my spine. The story you told me about what interested you in becoming a chiropractor really inspired me to become a chiropractor."*

*"It must be nice to know that you help other people every day. This shows me that people care about others."*

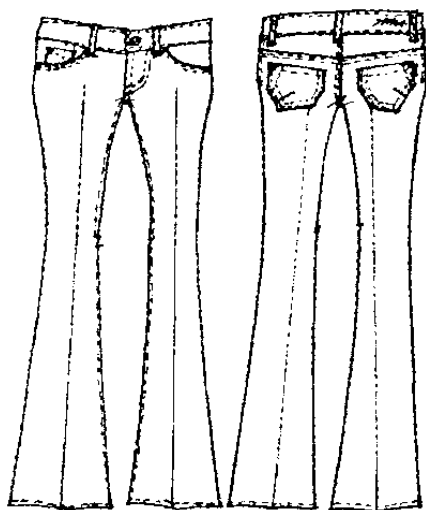

*"I never knew there were so many nerves in my body. I think it is very cool that what we eat makes new cells in our body. I think it is very important that people stay healthy every day and be cautious of what they eat."*

*"I didn't know that you could cure people's headaches by pressing on their spine. I also didn't know that you could help people walk better by pressing on their spine. I liked how you brought in plastic spinal columns."*

*"I think people today really do take too much medication and there are more natural ways to cure ailments. It's a good feeling that you are out there promoting that concept."*

part of their lives in the water and part on land. It is normal for them to rest on the beach, and it is okay for them to be dry.

- It is okay for seals to be alone. The seal pups that have been seen on beaches are weaned and are *not* maternally dependent. Pups are born mid-April through mid-June, they nurse from four to six weeks, and then they are on their own.

- Keep a safe distance. Perhaps most importantly, keep all people and pets away from the seals. This is for the sake of the animal's health (interactions will stress them, potentially causing healthy animals to become sick, and sick animals to worsen), and for human safety (seals may bite).

If you witness a seal on the beach, please *leave them alone* and call your local Animal Control Department or the Cape Cod Stranding Network hotline (508-743-9548). For non-emergency, routine matters, you can also call 508-743-9805.

### ORR Coordinator Leaving

**Michelle Roy** of Plymouth, MA, and for the past five years the curriculum coordinator for the Old Rochester Regional School District/Massachusetts School Superintendency Union #55, has announced her intention to leave her post later this summer to accept an appointment as the Director of Student Support Services in the Plymouth Public school system.

Ms. Roy served as a math teacher at ORR High School for 15 years before moving to her current position in the central office. Her work as the curriculum coordinator drew praise from teachers and her colleague administrators. Michelle's many efforts in conjunction with the MCAS testing program — from preparation to careful analysis of results — paid many dividends for the ORR/ Union #55 schools in the last few years.

Dr. John Teal, Biologist, Wetlands Specialist and Rochester Conservation Commission (ConCom) member, and author of the book *Life and Death of a Salt Marsh*, will be leading this exciting walk. Experience the salt marsh at sunset as they walk from Shipyard Park through the salt marsh that borders Eel Pond.

Bring your binoculars and pails and wear your old sneakers, shoes or boots (and don't forget the bug spray) to get up close and personal with the creatures that inhabit the marsh. Come explore the sights, sounds and smells of the marsh at the dimming of the day and return in the magical twilight.

This program is free and open to the public. School age children and young adults are especially welcome to join in. Light refreshments will be served at the end of our walk.

The Mattapoissett Land Trust (MLT) preserves land in order to enrich the quality of life for present and future generations of Mattapoissett residents and visitors.

that are skilled analysts, highly-competent managers, and effective advocates". The one-year program is for professionals with seven-plus years of work experience in a management role. Mr. Rasmussen intends to pursue 'Environment and Natural Resources' as his policy area of concentration while at the Kennedy School.

Coalition for Buzzards Bay Board President John K. Bullard said: "The Board is very excited that Mark will be doing this program. He has already proven himself to be a dynamic and effective leader and has put the Coalition in a position where we will continue to be a driving force for the protection of Buzzards Bay in his absence. Having done a number of programs at the Kennedy School, I know that Mark is in for an experience that will provide him intellectual stimulation, added technical skills and a network of similarly committed and talented colleagues that he will draw on for years to come. This excellent and challenging opportunity is a feather in Mark's cap and that of the Coalition."

Mr. Rasmussen said: "In my time at The Coalition for Buzzards Bay, my belief in our place-based, community-level approach to solving environmental problems has only grown stronger. We are not about serving abstract environmental values, we are about engaging people directly in protecting the river where they fish and the beach where they swim. I am excited about combining my practical experience on Buzzards Bay with the analytical, management and advocacy training that defines Harvard's Mid-Career program. I also want to recognize and

thank the Coalition for Buzzards Bay's Board and staff for their support. The work of saving Buzzards Bay is in very capable hands."

During the next year, the Coalition's Development Director John Vasconcellos and Marine Policy Specialist Ben Bryant will be responsible for day-to-day management of the organization and its programs aimed at protecting and restoring the Bay and its watershed.

Also joining the Mid-Career MPA program at Harvard this coming year is Mattapoissett resident and Massachusetts Environmental Trust (MET) Executive Director Robbin Peach. The MET is a grantmaking organization that protects and restores water resources and their related ecosystems throughout the Commonwealth.

### Marion Church Grant

The nearly-completed "Campaign to Preserve Marion's Traditions" just received an extraordinary Challenge Grant from an anonymous donor which offers three-for-one matching funds for immediate responses. This Campaign has reached its initial goal of \$500,000; and the critical preservation work is nearing completion for this important village icon. Several unexpected structural decay problems in the clock tower and building eliminated some finishing touches on the interior, landscaping, Memorial Garden and HVAC improvements. Also cut back were some recently discovered needs in the Community Center building which should be done before the contractor leaves.

A generous anonymous donor has offered this unusual Challenge of matching with \$3 for each \$1 of new cash donations received before August 14. A lesser matching rate will apply to donations received in subsequent weeks (two-for-one from August 15 to September 5, and one-for-one from September 6 to September 30). Prompt response to this Challenge will enable all our early plans

to be accomplished, with enduring preservation and improvements to this central historic "Captains' Meeting House" and Community Center which define the core of our classic village.

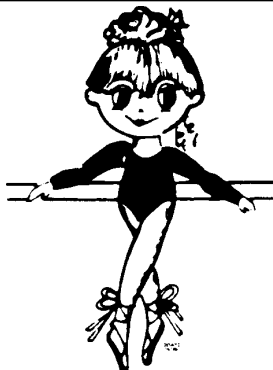

Coincident with completion of this major restoration are the final steps for inclusion into the National Register of Historic Places of the Congregational Church Meeting House (built in 1843), the Chapel (donated by Elizabeth Taber, and now incorporated into the Community Center) and Minister's Rock (where this Sippican Village Congregation was established in 1703). Prompt response to this generous and thoughtful matching-gifts offer will enable a glorious and enduring finale to these notable efforts.

## Your Questions on Dental Implants

**Q** I only recently began to hear of dental implants.  
Is this a new technique? Is it reliable and is the  
outcome predicable? Can it be used to replace a  
single tooth?

**A** Placing material into the bones of the jaws to replace missing teeth dates way back in history. Anthropological evidence shows attempts at replacing lost teeth in ancient Egyptian and Peruvian history. For example, ancient man replaced some missing teeth with carved jade or ivory, making "tooth implantation" possibly the oldest form of complex oral surgery. It was not until the use of modern metal implants that the procedure became more reliable and predictable. For the past few decades, dentistry has been using primarily titanium for dental implants. Titanium is used because it is very compatible with living human bone and soft tissue, and it is exceptionally strong. In fact, titanium is the metal used most in hip and knee replacement procedures.

One dental implant, with a crown, can replace a single missing tooth. This eliminates the need to prepare adjacent natural healthy teeth normally required for a fixed (non-removable) bridge. This can also help prevent the premature loss of remaining teeth which often results from the use of a removable partial denture. Therefore, dental implants can provide a single tooth solution for a single tooth problem.

### Rochester Grange Fair

It's that time of year again. The books are out and the posters are up. Now all we need are all of you gardeners and cooks and those who do needlework and crafts to come on down to the Rochester Grange Hall at 205 Hartley Road on Friday, August 19 between 2:00 and 4:00 pm and between 7:00 and 8:30 pm and enter into the fair. Everyone can enter — adults and youngsters alike — and Rochester residents and those who are not. If you are old enough to plant a seed or pull a weed, you are eligible to enter.

The Rochester Grange Fair will be open free to the public beginning at 1:30 pm and continue until 7:00 pm, after which there will be an auction of produce from

the fair. A Ham and Bean Supper will be held at 6:00 pm. Tickets are \$6 for adults and \$3 for children under 10. As always, tickets will be available at the door. Reservations are not necessary, but helpful in planning the supper.

They've added a special treat to this year's fair: Tiffany Rozenas, a very talented Rochester teen, will be entertaining visitors to the fair with Celtic music performed on the fiddle. Tiffany has won numerous awards for her playing and has traveled as far as California to compete. She will be entertaining the group with her wonderful musical talent beginning at 4:30 pm ... so stop by our fair, check out the displays, and see if you or someone you know is a winner and enjoy some great music.

As always, they look forward to seeing many of you on Saturday, August 20. For information on the fair — entering, the supper or just in general — please call Sue at 508-295-8908.

### Mattapoisett Museum Exhibit

As of September 3, you will no longer be able to view the very special exhibit now on display at the Mattapoisett Museum and Carriage House. That date marks the closing of the museum for the summer.

This special exhibit includes some fascinating memorabilia from various wars and conflicts including uniforms dating from World War I, three albums of photos, notes, and other material from the Korean conflict, posters from World War I, a uniform from the Iraq

### † What is a Color and Project Consultation?†

A color consultation is the selection process of a color scheme for your room, business, or home. Using 8" by 8" color swatches from Benjamin Moore, We select a color scheme that coordinates with furniture and on site lighting. A project consultation is the "how to" portion of your redecorating process. I will write step by step instructions, written specifically for your project, including all necessary surface preparations and a tools and materials list.

# MOVIE REVIEW

## Hero Worship

By Rob Gonsalves  
<http://robsreviews.cjb.net>

**Sky High.** Starring Kurt Russell and Kelly Preston. Directed by Mike Mitchell. Running time: 102 minutes. MPAA rating: PG.

Some of the best superhero movies aren't based on existing comic books. Movies like Sam Raimi's *Darkman* and last year's *The Incredibles* had no four-color mythology to be faithful to and no comics fans to appease, so they used their imaginations freely. At the other extreme, of course, you have uninspired misfires like *Hero at Large* and *The Return of Captain Invincible*. Disney's *Sky High* falls somewhere in the middle. A fun enough mishmash of *Spy Kids*, *X-Men*, and your typical John Hughes flick, the movie stays aloft when it considers the pleasures and pains of being a superpowered teenager, but hits some turbulence when the script's focus turns to whether our young hero will ask the perfect senior girl to the Homecoming Dance or his best-buddy gal pal, who adores him.

I suppose that might have been an interesting, though far less flamboyant, movie — a teen comedy that keeps the superpowers in the deep background. But *Sky High* tries for both thrills and teen-movie character beats, and it turns out there's a reason that we only catch a glimpse of the nonheroic goings-on in the Xavier School for Gifted Youngsters in the *X-Men* films. The scenario is better suited to an ongoing series, like *Buffy the Vampire Slayer*, which deftly balanced its teen angst and world-saving. Indeed, *Sky High* feels like a long pilot episode for a TV show or cartoon, though it would have plenty of competition in that field, from *Teen Titans* and the like.

The movie does have an amusing cast. Kurt Russell, who returned to his Disney roots with 2004's *Miracle* and seems to enjoy being back home again, turns up in what amounts to a supporting role as The Commander, a famous superhero who, under his regular-guy alias Steve Stronghold, sells real estate with wife Josie (Kelly Preston), who can also fly. The union of two superheroes has produced fourteen-year-old Will (Michael Angarano), who is sent to Dad's alma mater Sky High, a school exclusively for budding heroes. Will's problem is that his powers haven't manifested yet, and he's not sure they ever will. The school divides the kids into Heroes and Sidekicks (they prefer to be called Hero Support) based on their powers, and Will gets stuck with the Sidekicks, who befriend him.

The wittiest casting is in the teacher's lounge: Bruce Campbell is the contemptuous Coach Boomer, whose job it is to consign "losers" to the Sidekicks table; erstwhile *Wonder Woman* Lynda Carter is the school principal, and two *Kids in the Hall* — Dave Foley and Kevin McDonald — are also on the faculty. None of them gets to do much, though; they've been cast to please fans. Most of our time is spent with Will, who's torn between the unassuming, mildly rebellious Layla (Danielle Panabaker), who can create plant life, and class president Gwen (Mary Elizabeth Winstead, looking like Lucy Lawless' kid sister), who can control technology, which might explain why Spandau Ballet's "True" kicks in on the soundtrack whenever Will ogles her. (Actually, it's a cover version of the song — the soundtrack is full of new versions of '80s pop tunes, a sacrilege to fans of '80s music that seems to have no connection with the movie itself. At least when *50 First Dates* did it, the covers were all reggae-flavored and appropriate to the movie's setting.)

*Sky High*'s big lesson is that you should be true to yourself and not look down on your less fabulous classmates, a speech that teen movies apparently never tire of delivering, though the teenagers most likely to benefit from the message wouldn't be caught dead at a Disney flick about superheroes. The movie is colorful and amusing when it sticks to the superpowered kids and their ways of dealing with them, less so when we actually get the cobwebbed scene of poor Layla stood up at a Chinese restaurant while Will hangs out with perfect Gwen. The classroom scenes are fresh, particularly the "Save the Citizen" competition and Dave Foley's bits as a former Sidekick who teaches the nuances of proper Hero Support. If this had been done as a mockumentary following the faculty as they attempt to get through to their oblivious, hormonal students — difficult enough without throwing superpowers into the mix — it would've been a useful, satiric antidote to the comic-book movies we've already gotten this summer. Instead, it's just kind of a mildly entertaining footnote.

nization is to raise funds for families and patients in the local community who are coping with cancer. Funds are provided to assist patients and their families with travel expenses, meals, medications, and lost wages related to their illness. It is our hope that the efforts of Community Cancer Care will ease the burdens of these families and contribute to their journey toward recovery.

The group recently had a fundraiser at Harbor Days for Matt King which was very successful. They have recently heard of other families in Mattapoisett who are in need of assistance. With this in mind, they are now gearing up for their next fundraiser, a Community Yard Sale, which will be held on Sunday, August 14, 2005 at the Knights of Columbus Parking Lot on Route 6 in Mattapoi-

sett from 9:00 am to 4:00 pm. Items for donation should be labeled with a price and can be dropped off between 8:30 and 9:00 am. Proceeds from this event will benefit Matt King, a 13-year-old with leukemia, and a three-year-old boy also recently diagnosed with cancer in Mattapoisett. Appropriate items include household goods, clothing, toys and books. Please do not bring computers or TV sets.

They will also be sponsoring a "Prayer Lumina-tion" at Shining Tides Beach (adjacent to Camp Massasoit) on Monday evening, August 8 from 8:00 pm to 10:00 pm. This is not a fundraiser but an opportunity to be grateful for our blessings and offer prayers for those in need.

If you have any questions about these events, please contact Deb Days (508-951-0908) or Cheryl Zeppenfeld (508-944-4051). Donations to Community Cancer Care may be mailed to P.O. Box 1161, Mattapoisett, MA 02739, or can be made at Eastern Bank in Mattapoisett. Please specify if you would like the donation to go to a specific person or to the general fund.

## SALOME'S STARS

**ARIES** (March 21 to April 19) Don't gnash those pearly whites because you might have to delay your plans. This could give the Lucky Lamb a better perspective of what's been done, and what still needs doing.

**TAURUS** (April 20 to May 20) Scoring financial bull's-eyes is easy for the focused Bovine who knows the ins and outs of the marketplace. But even with your success record, caution is still the watchword.

**GEMINI** (May 21 to June 20) Watch that tendency to over-romanticize a situation that should be given closer scrutiny. Better to be suspicious now and ask for an explanation, or face a sad surprise later.

**CANCER** (June 21 to July 22) Bruised self-confidence can make things difficult unless you accept the fact that you have what it takes. Ignore the critics and concentrate on believing in yourself. Good luck.

**LEO** (July 23 to August 22) Congratulations on what you've accomplished. But this is no time to curl up for some serious catnapping. Your rivals are probably already working on plans to overtake your lead.

**VIRGO** (August 23 to September 22) Your adventurous side wants to play a more dominant role this week, and you might want to oblige. Try to arrange for some get-away time with that special person.

**LIBRA** (September 23 to October 22) Taking logical approaches to pesky workplace issues can help resolve even long-standing problems. A shift in policy might catch you by surprise. Be alert to signs of change.

**SCORPIO** (October 23 to November 21) Your kindness and compassion are exactly what are needed in dealing with an awkward situation in the early part of the week. Share the weekend fun with family and friends.

**SAGITTARIUS** (November 22 to December 21) Keeping your focus straight and true is a good way of getting your points across. Save any variations for a later time. The musical arts are important this weekend.

**CAPRICORN** (December 22 to January 19) Reject advice to cut corners in reaching your goal. Better to take a little more time to do the job as you promised. You'll gain new respect for your honesty and integrity.

**AQUARIUS** (January 20 to February 18) Don't allow a troublesome situation to grow so big that it will be increasingly difficult to deal with. The sooner you speak up, the sooner everyone will be able to benefit.

**PISCES** (February 19 to March 20) Confronting someone who is making a lot of mistakes could be the kindest thing you can do both for that person and for anyone who could be adversely affected by the errors.

**BORN THIS WEEK:** You absolutely glow when you see beautiful things, and everyone around you is warmed by your light.

On Sunday, August 21 there will be a "Tribute to the Armed Forces" Theme Parade, Fiddle Contest, Garden Tractor Pull, Tub Race as well as other events. They will also be holding the Block Dance and Bon Fire on Sunday evening.

#### ***Patriotic Homes***

Homes located along the Rochester Country Fair Parade Route will have the opportunity to participate in the Patriotic Home Award Contest. The Rochester Country Fair Committee encourages homeowners along the parade route to decorate the exterior of their home or yard with Patriotic Pride, Spirit and Creativity. Members of the committee will judge each home as they pass by in the parade on Sunday, August 21. The only requirement is that homeowners are asked to have their house address clearly visible for judging. Prizes, donated by Towne Pizza, Bev Loves Books, Mayflower Bank, Tina Denham, Hair & Body Solution, Movies & More, and the Plumb Corner Market, will be awarded to both the winner and runner-up of the contest. The winners will be notified by August 27.

#### ***Patriotic Parade***

The "Tribute to the Armed Forces" Theme Parade will begin at 10:30 am on Sunday, August 21. Those who wish to participate in the parade can obtain their Parade Applications online at [www.rochesterma.com](http://www.rochesterma.com), or pick one up at Bev Loves Books, located in the Plumb Corner Mall.

The parade will travel left out of Plumb Corner Mall onto Route 105; continue south on Route 105 to Walnut Plain Road; turn left onto Walnut Plain Road to Clapp Road; turn left onto Clapp Road to Mendall Road; turn left onto Mendall Road to Route 105; and turn left onto Route 105 back to Plumb Corner Mall.

For those who want to participate with their creativity or talent but don't live along the parade route, the Rochester Country Fair will also sponsor a Birdhouse Building Contest and Pie Bake-Off which will take place on Saturday, August 20.

#### ***Birdhouse Contest***

Participate in the Rochester Country Fair's Second Annual Birdhouse Building Contest to be held on Saturday, August 20. The birdhouses will be displayed at the fair and judged on creativity, craftsmanship, and functionality. Winners will enjoy a variety of prizes.

So, builders of all ages, take the construction challenge and build the best birdhouse you can! Anyone interested in entering this contest may pick up an application at Bev Loves Books located in the Plumb Corner Mall in Rochester center. You may also review the rules and print an application from the Rochester website, [www.rochesterma.com](http://www.rochesterma.com).

#### ***Parking Assistance***

The Rochester Country Fair Committee is seeking help from area groups, clubs and organizations to park cars at this summer's fair on August 21 and 22.

during regular library hours.

On Monday, August 8 at 2:00 pm, live animals help the Thornton Burgess Society's naturalist tell Grandfather Frog stories at the library. For ages 3 and up. This performance is made possible in part by a grant from the Marion Cultural Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency.

On Tuesday, August 9 at 12:30 pm, Lunch Bunch, a read-aloud program for seven- to nine-year-olds, concludes. Children bring lunch and a drink and the library supplies dessert. "Rowan of Rin" by Emily Rodda, a tale of puzzling riddles, magic maps, and daring deeds will finish being read aloud. Sign up by stopping by the library at 8 Spring Street, or by calling 508-748-1252, or
